Subpart C—Agreement and New Construction or Rehabilitation Period

§ 983.101 Agreement to enter into HAP contract, and contract rents in Agreement.

(a) *Agreement.* The HA must enter into an Agreement with the owner in the form prescribed by HUD for assistance provided under this part 983. The Agreement must be executed before the start of any new construction or rehabilitation. Under the Agreement, the owner agrees to construct the units in accordance with the HA-approved working drawings and specifications or to rehabilitate the units in accordance with the HA-approved work write-ups.

(b) *Contract rents in Agreement.* The Agreement must list the initial contract rents that will apply to the units after they are constructed or rehabilitated. The amounts of the contract rents that are listed in the Agreement or, if applicable, as lowered under § 983.103(c), must be the initial contract rents upon execution of the HAP contract. These initial contract rents may only be increased if:

(1) The project is financed with a HUD insured or coinsured multifamily mortgage;

(2) The initial contract rents listed in the Agreement were based on the amount determined by HUD to be necessary to amortize the insured or coinsured mortgage; and

(3) The HUD field office approves a cost increase prior to closing. In such a case, the HUD field office may redetermine the initial contract rents in accordance with § 983.202 except that the field office may use the comparable rents originally used in processing the insured or coinsured mortgage in lieu

of the amount determined in accordance with § 983.202.

§ 983.102 Owner selection of contractor.

The owner is responsible for selecting a competent contractor to undertake the new construction or rehabilitation work under the Agreement. The owner may not award contracts to, otherwise engage the services of, or fund any contractor or subcontractor, to perform such work, that fails to provide a certification that neither it nor its principals is presently debarred, suspended, or placed in ineligibility status under 24 CFR part 24, or is on the list of ineligible contractors or subcontractors established and maintained by the Comptroller General under 29 CFR part 5. The HA must promote opportunities for minority contractors to participate in the program.

§ 983.103 New construction or rehabilitation period.

(a) *Timely performance of work.* After the Agreement has been executed, the owner must promptly proceed with the construction or rehabilitation work as provided in the Agreement. In the event the work is not so commenced, diligently continued, or completed, the HA may terminate the Agreement or take other appropriate action.

(b) *Inspections.* The HA must inspect during construction or rehabilitation to ensure that work is proceeding on schedule and is being accomplished in accordance with the terms of the Agreement. The inspection must be carried out to ensure that the work meets the types of materials specified in the work write-ups or working drawings and specifications, and meets typical levels of workmanship in the area.

(c) *Changes.* The owner must obtain prior HA approval for any changes from the work specified in the Agreement that would alter the design or the quality of the required new construction or rehabilitation. The HA may disapprove any changes requested by the owner. HA approval of changes may be conditioned on establishing lower initial contract rents in the amount determined by the HA (or the HUD field
